

Brief Bio for Diane Windingland

Communication • Leadership • Networking

Author of several books on communication skills, Diane Windingland speaks for organizations that want to help their people have better, more profitable conversations and presentations.

An engineer by training, Diane has owned several small businesses and has trained business owners and other professionals on how to become better networkers, better conversationalists and better presenters.

As a member of Toastmasters International, she has achieved the organization's highest educational award for public speaking and leadership, Distinguished Toastmaster.
